Zoom out on your browser to see the full menu bar.

Know your Key Contacts

1. Your User Profile, use it to check your access level.
2. Key Contacts - Your branch admin, CSR, and local Sales Rep. (Contact your local sales rep to ask for Pricing or Tracking access)

Different ways to Search

3. Click on one of the three search options to search.

If you don't know the specific product code, you can compare all available options.

4. Compare Product Specs

Click on Compare in your menu

Choose an Application

Search by Replacement Light Source, Lumens, or Wattage

Compare products that match your search!

Customize & Download your Comparison

We will generate a comparison of products that match your search criteria.

5. Click on a product photo to go to the product page where you can build a SKU & order accessories!
6. Hide products you don't want.
7. Download the products on your screen into a co-branded PDF!
8. See more options.

9. Navigate to a Product Page to Build a Custom Product

Search "SFL" on the search bar for product pages

Click on the SFL product page

Scroll down to the product configurator

10. Use the tabs to find accessories and quick ship SKUs.
11. SKU Code & SKU description will change based on your configuration.
12. Click the link to see your product's spec sheet.
13. Lead time for your quantity and configuration. Easily find products in stock with the Quick Ship Tab.
14. Add your configured product to your cart. (Acts like a bill of materials)
15. Simply click the boxes to configure a product!
(Pricing will be available for each option if you have pricing access)
16. Select a custom finish from our list of RAB Standard Finishes!
(Or call us to order a non-standard colour)
17. You can find a full list of all ordering notes here.

18. Click the  icon (top-right corner) to go to your cart (aka Estimate Summary).
(You can add a bunch of other products to your cart and build a Bill of Materials with your Distributor logo!)

Customize your Cart before downloading as a PDF/Excel
